About Today's Game - News & Notes

Garfield Bulldogs play O'Dea Fighting Irish (Away) vs. (Home)

Spring is HERE!

We hear the birds and coaches chirping!

O'Dea is the home team today as Coach Moe offered Coach Doyle a field to play as they were not able to play @ Bannerwood (scheduling issues), the Irish accepted so we will be batting leadoff.

Welcome to the 3A Metro League Baseball, home of the 2023 State champion (Lincoln Lynx) and 3 out of 4 teams that played in the state semi's (including O'Dea). Our 3A Baseball Metro league is Competitive, if you should have any weaknesses the better teams will seek them out and exploit their positives in the 7 innings. Usually there are 3 major areas, but you can analyze down from there, they are Defense (error prone or not), Pitching (controlling the others offense or not) and Offense (can you score/get on base?).

Coach Moe brings his Bulldogs into today's game with a record of 0-4, 3 non-conference games with 1 conference game vs the Braves. It's early, but the baseball season is a sprint, not much of an opportunity for a team that is somewhat off kilter and needing to gain some momentum, it can be done and we hope the Bulldogs find that balance of all 3 major portions soon. Pitching (and catching i.e. battery) will always be the focus of any baseball team, without the Battery, you are not going anywhere, try it even in an EV, good luck!

Coach Doyle brings his fighting Irish into today's game ready to play. Knowing they are the home team @ historical Garfield Park, noises will be heard from their dugout that you usually wouldn't hear, they can be raucous and loud.

Enjoy cheering for your team!

~ Get to know the Players ~

#4 Eli Hurst

3B, RHP, 1B

So

- 1) *Who is your favorite current or retired baseball player? What do you like about their game?* My favorite baseball player is Julio Rodriguez. I love the energy and joy he brings every single game and I think there needs to be more players like him in baseball because they make the game fun to watch. I also love that he is a young star for our Mariners and hopefully he can lead us to a World Series!
- 2) *Are there any rule changes you would like to see made in Major League Baseball? Why might they improve the sport?* Not a specific rule, but I wish celebrations were more accepted in baseball. In other sports such as football and basketball, celebrations for scoring, or making a good tackle are far more normalized than in baseball. I think it should be normalized for hitters to pimp hits and for pitchers to celebrate on strikeouts because that makes the game more engaging and fun for everybody.
- 3) *Give us a sports book recommendation, what you enjoyed about it, and why you think others should read it.* I don't usually read a ton but a sports book I recommend is "Mental Toughness". I learned a lot about how to control the mental side and what to do when things are not going my way. As the level of baseball gets higher, the more important the mental game becomes, and it is a great read for anyone looking to go far in baseball.
- 4) *Tell us about a coach, mentor or teacher that has been influential in your life.* Ben Guidos welcomed 13 year old me into the EII community when I barely knew anyone training there. Ever since then, he has supported me and helped me through the inevitable ups and downs of baseball. He has taught me the mental side of baseball more than anything and its importance, but also how to be a great teammate and friend.
- 5) *What is your favorite subject or class in school and why?* I'm not sure what my favorite class is because it changes every year. For me, the class and content is only enjoyable if I like the teacher and the way they teach the subject. I have had classes that I usually don't enjoy be great because of a great teacher and the same the other way around.
- 6) *What is your favorite Seattle area restaurant? What dish(es) do you typically order off the menu there?* My favorite restaurant in Seattle is Daniels Broiler. I love their steak and I would probably say it is my favorite meal of all time.

#15 Max Hudson

C, 2B

Jr

- 1) *Who is your favorite current or retired baseball player? What do you like about their game?* Robinson Cano, I loved him when he played for the Mariners, super smooth swing and nice at second.
- 2) *Are there any rule changes you would like to see made in Major League Baseball? Why might they improve the sport?* No, the recent rule changes have been good.
- 3) *Give us a sports book recommendation, what you enjoyed about it, and why you think others should read it.* Last Days of Summer is a great book about a kid growing up in a rough New York environment with a messy home life in the late 1930s, he writes letters back and forth with a big leaguer who takes the role of a father figure.
- 4) *Tell us about a coach, mentor or teacher that has been influential in your life.* My dad has been a mentor for my whole, he helps me every step of the way in baseball and everything else.
- 5) *What is your favorite subject or class in school and why?* Math has always been one of my favorite classes, I like the problem solving.
- 6) *What is your favorite Seattle area restaurant? What dish(es) do you typically order off the menu there?* Mediterranean Kitchen, the best chicken dish I've ever had, mediterranean chicken.
