About Today's Game - News & Notes

Bulldogs vs. Rams

Head to Head

League play begins today for both teams

Ingraham has played 4 non-league game (1-3) winning their most recent game against Anacortes 7-1. Head coach Dashawn Patrick's team ended last season with 4 wins out of 5 games, he is hoping this year's team extends that winning attitude to the start of their season. Quick note of history, Governor Jay Inslee is an alumni of the Rams having graduated in 1969 and says his athletic career (starring in football/basketball) made him who he is today (rough and tumble politics), having won a state 3A championship in basketball going undefeated for their season. Now the neighborhood relation between both schools, IS that his dad Frank was Garfield's head football coach, while the Gov. was the star Quarterback for the Rams.

Our Bulldog's come in to today's ballgame having won their non-league home opener verse Hazen 11-6 (1-2-1). Away it has been a different team, except for the Newport (Kingco 4A) game were they finished in a tie 6-6. Aaron Herst (Sr -C) stymied the Hazen Highlanders for 4 innings of the game, allowing 1H - 0BB - 8K - 0R. Offensively, Oliver Hogan (Jr), Louis Simon (Sr -C) and Mitchell Thomas-Fair (Jr) are leading the Bulldogs in hits, RBI's and OPS. Patrick Theiss (Sr) has been the teammate that when given the opportunity he can get on base with a hit and/or walk.

Defensively, we have room for improvement, as a team fielding 90% at the moment and unearned runs mounting, this is an area that will overtime start to get better as Coach Moedritzer starts playing a starting lineup more consistently.

Metro League has been divided into public and private schools divisions, the top 5 from the public division stays out of the single elimination portion during the districts. Also the O'Dea game (home team) on 4/13 will be played here @ Garfield, Bulldogs will be the away team for that game.

Enjoy Cheering for your team!

~ Get to know the Garfield Captains ~

#18 Ben Bennett

LHP, OF, 1B

Jr

- 1) *Who do you feel was instrumental in introducing you to baseball? How did it happen?* My older sister Hannah introduced me to baseball. I would go to her practices before I had my own and she was great a role model for me as a person and a player.
- 2) *Baseball has changed slowly over the years, what rules would you like to see changed or possibly reversed back to the rule that was changed?* They almost outlawed the shift in the MLB which would have made mad. Data is used in every aspect of the game, so make hitters adjust.
- 3) *Hobbies and interests outside of baseball?* I've been listening to a ton of Lana Del Ray. I won my fantasy football last season and I plan to again.
- 5) *Who is your favorite baseball player(s) from the past and why?* I frickin love Dylan Moore. Most slept on player in the MLB. Tyler O'Neil is also pretty great.

#5 Oliver Hogan

3B, SS, RHP

Jr

- 1) *Who do you feel was instrumental in introducing you to baseball? How did it happen?* My parents were instrumental in introducing me to the game. They put me in Pony Baseball when i was five.
- 2) *Baseball has changed slowly over the years, what rules would you like to see changed or possibly reversed back to the rule that was changed?* I heard that they were banning shifts this upcoming year. I would like to give the defense freedom to do whatever they want and teach hitters to hit the ball to all fields.
- 3) *Hobbies and interests outside of baseball?* Outside of baseball I enjoy working out, playing football and basketball with my friends, and spending time with my family.
- 4) *Favorite book you have read, why you enjoyed it and how it changed you?* My favorite book is Relentless by Tim Grover. It talks a lot about what it takes to win and the value of hard work.
- 5) *Who is your favorite baseball player(s) from the past and why?* My favorite baseball players from the past are Ted Williams and Ken Griffey Jr. I chose Williams because i have read a lot about him and admire his approach to hitting and Griffey because he is a Seattle legend.
