*"Fair Play Necessitates that all Competitors have the same Chance for Success"*

## About Today's Game - News & Notes

### *The Bulldogs Play The Crusaders*

### **Competitive Game!**

*Eastside Catholic comes down from their plateau to compete with Garfield Bulldogs on their home turf. We both play each other only once during regular Metro season, unlike the private schools play each other twice, so no opportunity to claim a sweep or split victories as the Crusaders did with the Lakeside Lions this season. One chance that's it, both are hoping they will claim that win, as it will help in their seeds when the playoffs begin.*

**No recap from past games in today's Gameday, which will return and be updated with the Roosevelt game on Monday April 15<sup>th</sup>.**

**Enjoy the answers from the Bulldog players.**

**Enjoy Cheering for your Team!**

# ~ Get to know the Players ~

**#20 Jordan Hurd**

**LHP, 1B, OF**

**Sr**

- 1) *Who is your favorite current or retired baseball player? What do you like about their game?* My Favorite player is Vladimir Guerrero JR he's not only a great first baseman who hits bombs all the time he's very charismatic and brings lots of energy to his team and teammates.
- 2) *Are there any rule changes you would like to see made in Major League Baseball? Why might they improve the sport?* I think everything is perfect the way it is the game is played at a good pace and there's no rule that affects any pro ballers game.
- 4) *Tell us about a coach, mentor or teacher that has been influential in your life.* I wanna shout out my little league coach Chris Quigley I played on his team pretty much from kindergarten all the way through 6th grade I think he was one of the coaches that helped me fall in love with the sport and helped me be the player I am today.
- 5) *What is your favorite subject or class in school and why?* Right now probably business math, usually I don't like math but all the stuff we have learned such as how to fill out taxes or how to invest in stocks and bonds will be useful to 99% of the population.
- 6) *What is your favorite Seattle area restaurant? What dish(es) do you typically order off the menu there?* I would say catfish corner usually when I would go there I would get a pound of catfish and a large drink, and eating the fish with their tartar sauce and some hot sauce that makes it a top tier meal.

**#14 Gavin Niccoli**

**C, 2B, RHP**

**Sr**

- 1) *Who is your favorite current or retired baseball player? What do you like about their game?* My favorite player right now is julio Rodriguez. I love that he is a great hitter and fielder. He also has a great attitude and mindset.
- 2) *Are there any rule changes you would like to see made in Major League Baseball? Why might they improve the sport?* I think that the pitch clock should be taken out of the post season. The pressure is high in these games and I think that the hitters should have more time to get set.
- 3) *Give us a sports book recommendation, what you enjoyed about it, and why you think others should read it.* Money ball. This is a great book and movie that I would highly recommend to anyone interested in baseball.
- 4) *Tell us about a coach, mentor or teacher that has been influential in your life.* My little league coach was very influential to me. He taught me how to deal with failure on the diamond. This helps me to this day.
- 5) *What is your favorite subject or class in school and why?* Computer science is my favorite class in school. I like the challenge that it presents and the teacher for the class is great.
- 6) *What is your favorite Seattle area restaurant? What dish(es) do you typically order off the menu there?* The high spot cafe is my favorite local restaurant. I love the breakfast burritos and cinnamon rolls that they have. Along with great food they have pretty good prices. If you are looking for a nice breakfast i would highly recommend you check it out.
