About Today's Game - News & Notes

Bulldogs vs. Roughriders

Garfield's pitching shines and Roosevelt's offense gets the "run" they need!

With only a few Metro league games to play, both teams are attempting to move into the top tier of the middle seeding for their playoff birth. Bulldogs have shown a much better pitching and defense, but lack the offense for the moment. Roughriders have shown they can win the close game, but lack the arms that Garfield has. Remaining games ahead favor Garfield and "if" they can solve the problem/question of their "at the plate" woes, they could be a disrupter?

Re-capping past games: Dashiell Story (So) got the start at home against Cleveland, celebrating Dad's birthday, pitched a no-hitter, going 5 complete innings in a dark cold early Spring game. Bulldogs had their annual game @ T-Mobile park verse 4A Kingco challenger Issaquah, they scored 5 runs but came up short against a good competitor in the Eagles. Eli

Herst (So) also got his start @ home playing the E/C Crusaders, pitching a wonderful game allowing only 2 ER and getting no run support but 2 big extra base hits by Story and Jordan Hurd (Sr) were the highlights on offense. Story took the rubber against the Franklin Quakers allowing only 1 hit and with some relief from Barty Hall (Sr) to go the 7 innings for the combined shutout 3-0 at Franklin's newly artificial turf infield. Quakers pitching staff only allowed 3 hits for the Bulldogs, but some walks + errors sealed the game for our Bulldogs. Roosevelt had an earlier loss against the Quakers losing 4-3.

We should see energetic hard throwing Herst get the start for today's game, expect to see him fire up his teammates in a game that is pivotal, having an opportunity to climb up in the standings and begin to make some noise by PLAYING baseball against a local neighborhood school, that is what high school sports are all about and hopefully will remain that way! Or ?

Enjoy Cheering for your Team!

- 1) *Who is your favorite current or retired baseball player? What do you like about their game?* My favorite player right now is JP Crawford because of his effortless play-style and chill vibes. He also makes elite adjustments in the offseason that prepare him well.
- 2) *Are there any rule changes you would like to see made in Major League Baseball? Why might they improve the sport?* I think the MLB has done a good job improving the game with the pitch clock and bigger bases.
- 3) *Give us a sports book recommendation, what you enjoyed about it, and why you think others should read it.* I enjoyed reading Edgar Martinez's autobiography, it is a fantastic story about grit and determination to chase what you love.
- 4) *Tell us about a coach, mentor or teacher that has been influential in your life.* Both my parents have been amazing role models and mentors throughout my childhood and have helped shape me into the person I am today.
- 5) *What is your favorite subject or class in school and why?* I really like being on the school newspaper, there is a diverse set of articles that I get to write about and take photos for.
- 6) *What is your favorite Seattle area restaurant? What dish(es) do you typically order off the menu there?* One of my favorite places to eat is Dick's burgers. I always get a deluxe and a chocolate milkshake.

- 1) *Who is your favorite current or retired baseball player? What do you like about their game?* My favorite retired baseball player is Kyle Seager as he was a Mariner super star and played third base.
- 2) *Are there any rule changes you would like to see made in Major League Baseball? Why might they improve the sport?* I think they should continue adding rules that speed up the game but remove them in the post season. I do not have a specific rule though.
- 3) *Give us a sports book recommendation, what you enjoyed about it, and why you think others should read it.* I would say Moneyball as it changed the way teams operate as well as became a great movie.
- 4) *Tell us about a coach, mentor or teacher that has been influential in your life.* The coach that was most influential in my baseball career is coach Curtis Knopf as he was one of the first coaches to get me into baseball and taught us to really enjoy the game.
- 5) *What is your favorite subject or class in school and why?* My favorite classes in school are all my science classes as I feel like I end up using what I learn in them the most in my everyday life.
- 6) *What is your favorite Seattle area restaurant? What dish(es) do you typically order off the menu there?* My favorite Seattle area restaurant is the pho bac near Franklin. I usually switch up my order but generally get pho with lots of meat.
