About Today's Game - News & Notes

Garfield Bulldogs vs. Lakeside Lions Expect a Dog and Cat fight!

Currently our Bulldogs are in 3rd place alone in the Metro public school division, looking for some help from Blanchet as they play Lincoln today. Lakeside has had some big wins against the best of Metro, i.e. beat West Seattle (maybe the top team in 3A WIAA this year) in an 11th inning victory, also with wins against EC Crusaders and Blanchet Bears. Maybe their record is modest, in the Metro private school division, but they are well coached and able to analyze (data), formulate (model) a game plan that is among the best in the game of Seattle baseball.

Recapping: our past weeks Bulldog games. Saw Garfield go away with 3 wins, starting the week off with a mercy 5 inning victory over the Crusaders 12-0, ending the week against our crosstown rivals Ballard, winning 5-4. Henry Smidt (Sr) C got the start, allowing 3 ER then handing the ball off to lefty Max (J/Geico) Gelpi (Sr) in relief, he is truly the insurance that a team needs and counts on when needed, as he went 4 strong innings allowing 0R/1H/6K and picking up the win after his leadoff single followed by a JT Wayne (Jr) sac bunt, WP then Smidt knocking in the go ahead/winning run in the bottom of the 4th! Capping a week of varsity baseball and maybe this team found their identity, one that can play tremendous defense, team offense and explosive at times, along with pitching that can shut down some of the best bats in the Metro league.

Lakeside's coach Sundin brings his young cats (9 players Fr or Soph/majority of the team) into today's game, looking to upset and put an end to the winning ways of Garfield baseball. Lions once again knocked off the Wildcats, so expect them to find a way to exploit any opportunities the Bulldogs hand to them, attempting to get another big win against one of the top Metro public schools this season.

We should see Ben Bennett (Sr) C get the start, in his last start he shutout the Crusaders at their ballfield in 5 innings, striking out 12 and allowing 0 walks / 0 runs. Also please remember we have our resumption of the protested O'Dea game tomorrow, beginning at 3:30pm. Basically starting from the top of the 1st inning for O'Dea, runner on first and 2 outs, scoreless.

Enjoy cheering for your team!

- 1) *Who introduced you to baseball? Any details from your first game experience or season?* I was first introduced to baseball by my dad who played through high school and has been a lifelong fan of the mariners. My first memories of the game involve my dad making me switch hit and calling strikes no matter what on me when umpiring if I did not bat lefty.
- 2) *What hobbies/interests do you have outside of baseball?* I mostly hunt and fish for outside hobbies but also like playing other sports like football and basketball.
- 3) *What would you like to see changed in MLB Baseball & Why?* I think the changes that were put in place this year were a great change to the game and I cannot think of any other rules I would want changed.
- 4) *What is your favorite book and why did you enjoy it?* My favorite book is probably Tom Sawyer.
- 5) *Who are your favorite baseball players and teams from the past & why?* My favorite baseball player was Kyle Seager playing for the Mariners.

- 1) *Who introduced you to baseball? Any details from your first game experience or season?* My dad introduced me to baseball, and coached my PONY teams growing up. Thank you, Dad, for getting me into baseball.
- 2) *What hobbies/interests do you have outside of baseball?* I'm a big skier and used to compete in freeride for Alpentel. I'm the Co-President of the Garfield High School Investment club and lead weekly meetings.
- 3) *What would you like to see changed in MLB Baseball & Why?*
- 4) *What is your favorite book and why did you enjoy it?* My favorite book is Moneyball by Michael Lewis. I enjoyed how Billy Beane used numbers and statistics to find undervalued players and build a competitive roster despite a lack of resources. As someone who plays baseball and plans to study math in college, Moneyball's message really resonates with me.
- 5) *Who are your favorite baseball players and teams from the past & why?* I've always been a fan of Ichiro. His contact skills were unrivaled, and I believe him to be one of the greatest hitters ever.
